**Instructions for Form NIST-1022B  
Technology Innovation Program (TIP) Contractors**

1. Self explanatory. If a contractor's identity is undetermined, enter "Undetermined" in the NAME box. The "contractee" is the name of the organization that will engage the "contractor." For a joint venture, enter the name of the joint venture member that will engage the contractor.

2. Click the appropriate box to identify the contractor's type of organization. Also click the appropriate box if foreign-owned or foreign-located.

3. Self explanatory.

4. Briefly describe the scope of work and identify which task(s) in the R&D plan will be performed by the contractor.

5. Click the appropriate box to identify if the contractor will be selected on a sole source basis. Contractors should be selected on a competitive basis pursuant to the Procurement Standards in 15 C.F.R. Part 14.

If the contractor is to be selected on a sole source basis, provide a brief justification for selection on a noncompetitive basis. In writing a sole source justification, be sure to refer to the Procurement Standards in 15 C.F.R. Part 14 and address bases for selecting noncompetitively.

6. If the contractor has any financial or other interest in the submitting organization or if a joint venture, in any joint venture member, briefly explain what type and how much.

7. If the submitting organization or if a joint venture, any joint venture member, has any financial or other interest in the contractor, briefly explain what type and how much.
